Llwybr Fforio'r Pasg ym Meisgyn

Yn ystod gwyliau'r Pasg, aeth 45 o fforwyr ifanc dewr a'u teuluoedd allan ar antur leol, gan ddilyn llwybr archwilio o amgylch Meisgyn a'r ardal gyfagos.

Gyda chymorth map llwybr, llwyddodd y fforwyr i lywio'r llwybr tywys trwy ddod o hyd i bwyntiau gwirio o amgylch y gymuned.

Arweiniodd yr archwiliad at ddarganfod tirnodau lleol a chymeriadau diddorol o'r gorffennol. Datblygodd stori o dwf diwydiant yn yr ardal, a datblygiad y pentref yn gymuned Fictoraidd ffyniannus.

Roedd y llwybr yn cynnig dwy her. Roedd y cyntaf yn cynnwys casglu llythyrau côd a chliwiau i ddatrys ymadrodd dirgelwch, a'r ail oedd dal yr antur gyda llun neu ffotograff â thema'r gwanwyn.

Ar ôl cwblhau'r llwybr, llwyddodd ugain o archwilwyr i gracio'r côd (*Gorau Chwarae Cyd Chwarae*). O'r rhain, dewiswyd enillydd ar hap a maent wedi derbyn cofrodd wedi'i fframio o'r digwyddiad.

Yn ogystal, cyflwynwyd ystod wych o ddelweddau ar gyfer y gystadleuaeth lluniau, gan gynnig safbwyntiau diddorol ac unigryw o Feisgyn yn ystod y gwanwyn. Wrth adolygu'r rhain, penderfynodd y GRhA ddyfarnu gwobrau'r tymor (Wyau Pasg) ar gyfer pob cais oherwydd yr ansawdd a'r creadigrwydd eithriadol a ddangosir, fel y gweler isod.

Anfonwyd tystysgrifau at bob ymgeisydd cystadleuaeth sy'n llongyfarch eu cyflawniad - cysylltwch â'r GRhA os nad ydych wedi derbyn eich un chi.

O ganlyniad i'ch ymrwymiad, codwyd £270 ar gyfer offer TGCh ysgolion ac rydym wedi derbyn adborth gwych am y digwyddiad. Cadwch lygad am lwybrau archwilio yn y dyfodol mewn ac o amgylch cymunedau lleol eraill. Diolch am eich cefnogaeth.

Miskin Easter Exploration Trail

During the Easter holidays, 45 intrepid young explorers and their families set out on a local adventure, following an exploration trail around Miskin and the surrounding area.

With the help of a route map, explorers successfully navigated the guided trail by finding check points located around the community.

The exploration led to a discovery of local landmarks and interesting characters from the past. A story unfolded of the growth of industry in the area, and development of the village into a thriving Victorian community.

The trail offered two challenges. The first involved collecting code letters and clues to unscramble a mystery phrase, while the second was to capture the adventure with a spring themed picture or photograph.

Following completion of the trail, twenty explorers successfully cracked the code (*Gorau Chwarae Cyd Chwarae*). From these, a winner was randomly selected and has received a framed memento of the event.

In addition, a superb range of images were submitted for the picture competition, offering interesting and unique perspectives of Miskin in springtime. In reviewing these, the PTA decided to award festive prizes (Easter Eggs) for all entries due to the exceptional quality and creativity demonstrated, as shown below.

Certificates have been sent to all competition entrants congratulating their achievement – contact the PTA if you haven't received yours.

As a result of your involvement, £270 was raised for school ICT equipment and we have received great feedback about the event. Look out for future exploration trails in and around other local communities. Thank you for your support.
