Step by step guide of how to log onto Hwb.

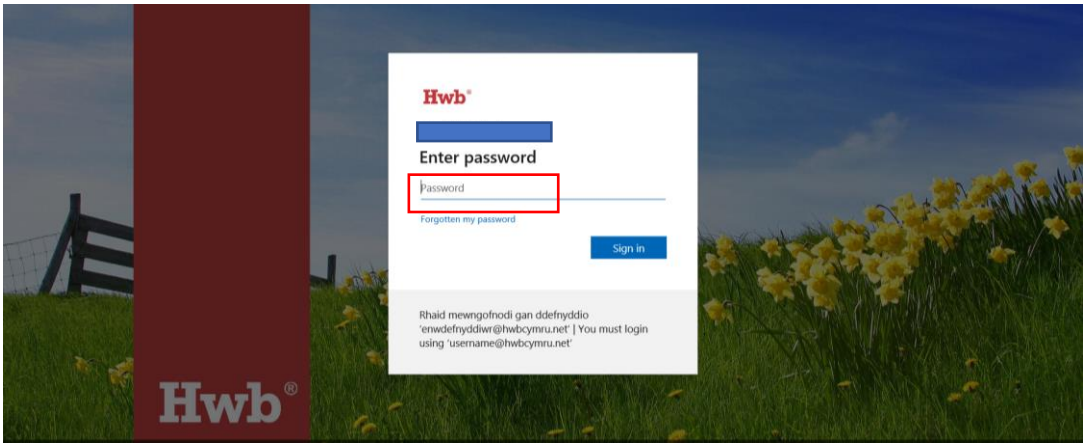

1. Go to: https://hwb.gov.wales/
2. You will access the following screen. Select 'Log in'

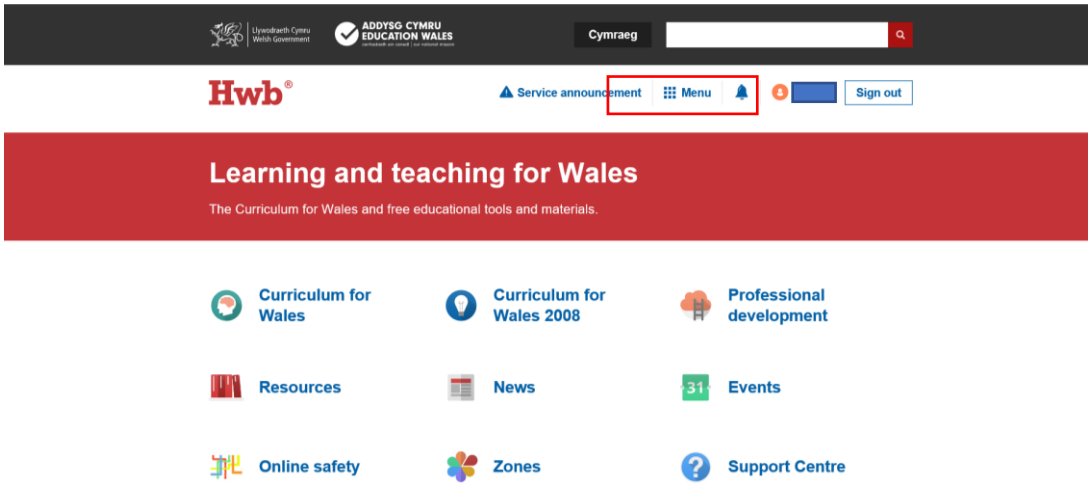

3. The following screen will then appear.
4. Using your child's log in card, insert their email address.

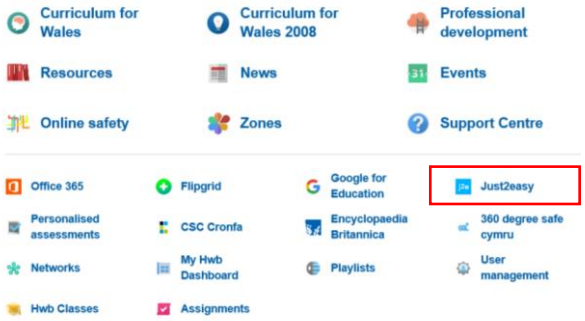

5. Next you need to enter the password from their card.

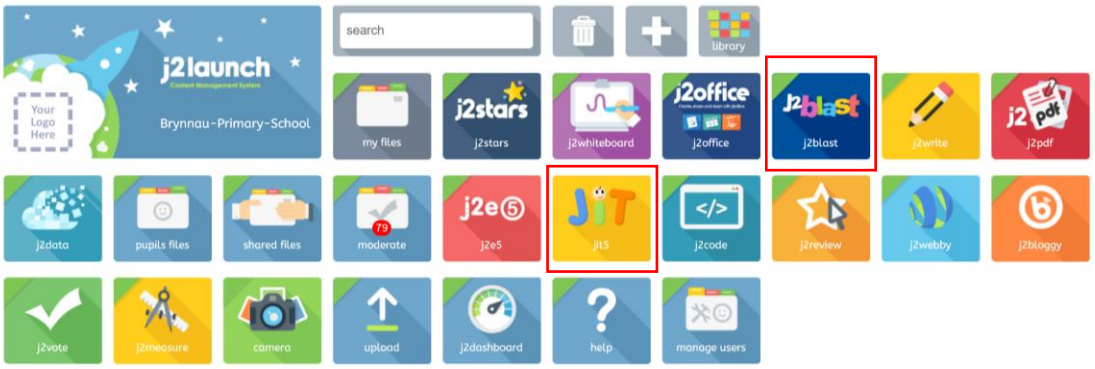

6. You will then be taken to the home page. **Select Menu to locate the Just2Easy**

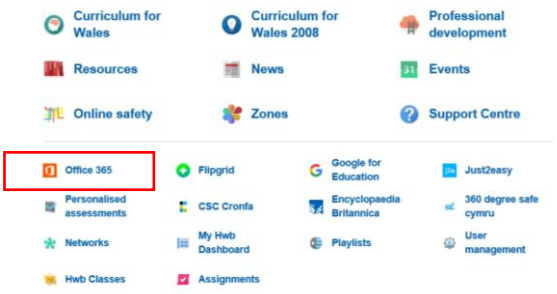

7. Select Just2easy

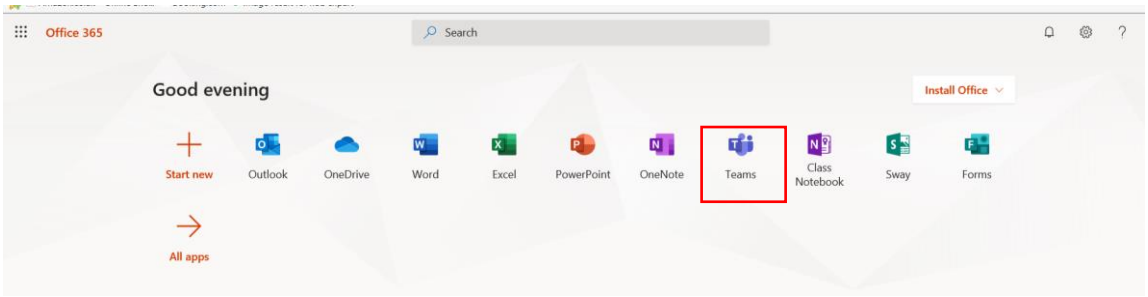

8. Your child will be able to select from a range of options. JIT is very good for Foundation phase. J2blast has timed maths challenges for the Juniors.

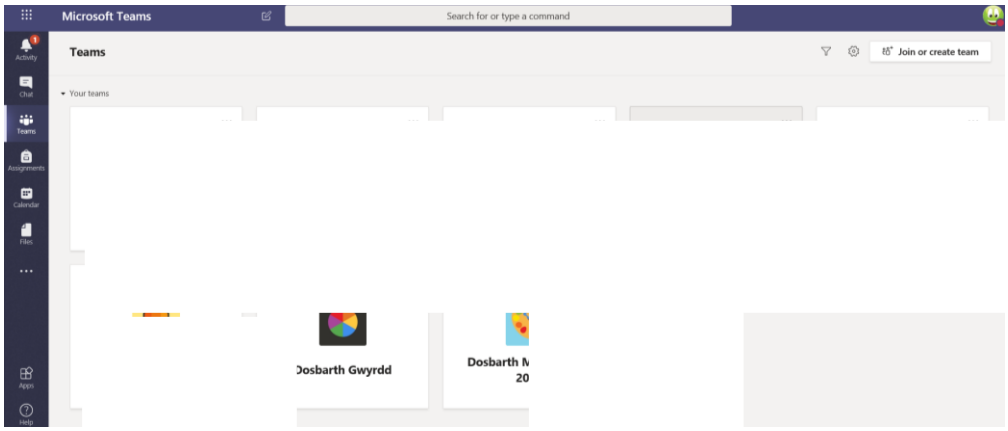

9. **To access Teams, return to the menu and select <u>Office 365</u>**

10. Select Teams

11. Select your child's class

12. The following screen will appear. Within this area the class teacher will be able to upload work, challenges, and projects to be completed. Click on the **Files** tab to access uploaded work.
