Rhagair i Rieni

Dyma lyfr i helpu eich plentyn i ddeall geiriau Cymraeg. Defnyddiwch ef i gadarnhau'r gwaith sy'n digwydd yn yr ysgol yn y cam sylfaen. Drwy ddewis gwneud y gweithgareddau syml a hwyliog yma, gellwch ategu at y gwaith a wneir yn ystafell ddosbarth eich plentyn.

Llyfr i'w ddefnyddio pan na fyddwch chi na'ch plentyn yn rhy flinedig yw hwn. Cael hwyl wrth ddysgu yw'r nod, a gorau oll os medrwch gynnig anogaeth a chefnogaeth wrth fynd ymlaen. Nid oes rhaid brysio drwy'r llyfr a chwblhau'r holl weithgareddau sydd ar un tudalen ar yr un pryd os yw eich plentyn yn amlwg wedi cael digon. O gwblhau'r gweithgareddau priodol, bydd cyfle i'ch plentyn droi i gefn y llyfr a lliwio'r seren i ddangos cynnydd.

Foreword for Parents

This is a book to help your child to understand Welsh words. Use it to consolidate the work happening in school in the foundation phase. By getting to grips with the various fun packed activites, you will be consolidating your child's knowledge and understanding of what is being presented at school.

It helps if you choose a time when you and your child aren't too tired. Your child will respond well if you make the activities fun and give him/her plentyn of encouragement and praise. The activities on the various pages don't all have to be completed at the same time if your child has obviously had enough. When your child has completed a certain amount of activities, he/she can colour in the appropriate star on the last page.

ENJOY!
