Dyma lyfr i helpu eich plentyn i sillafu ac i ddeall mwy am y Gymraeg. Gallwch ei ddefnyddio i gadarnhau'r gwaith sy'n digwydd yn yr ysgol yn y cyfnod sylfaen. Mae'r llyfr wedi ei anelu at blant 6–8 oed i'w ddefnyddio heb ormod o gymorth gan y rhiant. Dyma'r prif elfennau sydd ynddo:

- patrymau enwau lluosog
- ateb Ydw / Nac ydw; Ydy / Nac ydy; Oes / Nac oes; Oedd / Nac oedd
- gwybodaeth syml ynghylch – trefn yr wyddor, enwau, berfau, ansoddeiriau ac arddodiaid
- geirfa'n ymwneud â dyddiau'r wythnos, y misoedd a'r tymhorau
- diffiniadau syml

Mae'n help i ddewis amser pan na fyddwch chi a'ch plentyn yn rhy flinedig. Bydd eich plentyn yn ymateb yn dda os byddwch yn gwneud y gweithgareddau'n hwyl ac rhoi llawer o anogaeth a chanmoliaeth. Does dim angen mynd drwy'r llyfr mewn unrhyw drefn arbennig, gallwch ddewis a dethol fel y mynnwch. Does dim gwahaniaeth chwaith os nad yw eich plentyn eisiau gwneud pob rhan o bob gweithgaredd ar bob tudalen. Ar dudalen olaf y llyfr mae sêr yn gysylltiedig â phob adran i'r plentyn eu lliwio.

Foreword for Parents

This is a book to help your child to spell in Welsh and understand more about Welsh. You can use it to consolidate schoolwork in the foundation phase. The book is aimed at children 6–8 years of age to use without too much help from you as a parent. There is a language help box for those of you who are improving your Welsh at the end of every section. These are the main elements in the book:

- some patterns of plural nouns (it's not only adding **–s** in Welsh)
- answering Yes / No correctly – Welsh has many options
- basic information regarding – alphabetical order, nouns, verbs, adjectives and prepositions
- vocabulary related to the days of the week, the months of the year and the seasons
- simple definitions

It helps if you choose a time when you and your child aren't too tired. Your child will respond well if you make the activities fun and give him/her plenty of encouragement and praise. You don't need to go through the book in any particular order. It doesn't matter either if your child doesn't want to do all of the activities on every page. The last page at the end of the book has stars linked to every section for your child to colour in.

ENJOY!
