DWLI'S HELP FOR PARENTS:
Plural nouns ending in -au and -iau

1. Dwli says: Sometimes, in order to show more than one of something, we find **-au** and **-iau** at the end of words, such as: cae – caeau (field / fields), cloc – clociau (clock / clocks). Here are more **-au** and **-iau** words. Fill in the gaps in the lists. (List on the left, add **-au**; list on the right, add **-iau**).
2. **-au** and **-iau** plural words crossword.
   Remember: **-au** or **-iau** appear in every answer.
   ch, dd, ff, ng, ll, rh, th, count as one letter each, so they fit into one box, not two.
   Answer: Across: 1. ceffylau = horses; 2. llyfrau = books; 4. grisiau = stairs; 5. llwyau = spoons. Down: 1. clustiau = ears; 2. llysiau = vegetables; 3. ffrindiau = friends.

* Now, colour in the **-au** a **-iau** star on page 48.

Nawr, lliwia'r seren â **–au** a **–iau** arni ar dudalen 48.*
