Community Focused Schools

A community focused school is one that: 'provides a range of services and activities', often beyond the school day, to help meet the needs of its pupils, their families and the wider community. Across Wales, many schools already provide some community services including adult education, study support, ICT facilities and community sports programmes. The development of community-focused schools is not just a short term project or initiative, but a real opportunity for schools and communities to work together in new ways for the future benefit of children, young people and adults.

At our school we have community facilities which offer before and after school childcare for working parents. Staff at school usually offer a range of extra-curricular activities on site including football, rugby, cricket and netball skills, choir rehearsals and Urdd club. We also host classes for adult Welsh learners on the premises. Usually, a school liaison Officer visits us on a regular basis to discuss with the pupils and hold sessions with all our pupils. We also have strong links with the local Police who occasionally visit school at the beginning and end of the school day to monitor traffic flow and parking outside the school

Additional Learning Needs

The School's policy for the identification, assessment and provision for pupils with Additional Learning Needs is consistent with the requirements of the Special Educational Needs Code of Practice for Wales issued by the Welsh Assembly Government in January 2002. The School's Additional Learning Needs Co-ordinator (ALNCo) works closely with all other members of staff to ensure that individual educational plans are developed and implemented to meet the needs of pupils appropriate to those who require them. The ALNCo also liaises with all members of staff, to ensure that the progress of all pupils is regularly monitored and assessed and to ensure that each pupil reaches his or her potential.
This academic year, on the date of the PLASC census:

- **0** pupils were on School Action / Early Years Action (**0**)
- **3** pupils were on School Action Plus / Early Action Plus (including those with Notes in Lieu) (**0**)
- No pupils were undergoing Statutory Assessment.

School Leavers

28 Year 6 pupils left us in the Summer Term, 2021 to go on to Secondary Education with the majority attending Ysgol Llanhari.

School Prospectus

The School Prospectus is updated annually to include any changes required by the Welsh Government or other related bodies. Changes made this year amount to an updated staffing list and school holiday dates. A copy of the Prospectus is generally issued to parents whose children are starting school for the first time, transferring from Infant to Junior school, or from Junior/Primary to Secondary school. A copy of the Prospectus can be found on the school's website. New parents also receive a copy of the school's 'Nursery Handbook' which contains all the information relevant to the new pupils. Parents are informed when amendments are made to the existing prospectus. Any parents wishing to e-mail us at school can do so. The e-mail and school website address is as follows:

Post Inspection Action Plan

Governors are responsible for drawing up an Action Plan to address any key issues raised by Inspectors during the external Inspection of the School in September 2018. Parents were provided with a paper copy of the summary report produced by the Inspectors with a full electronic version made available and on request. Governors monitor the progress of the plan at their termly meetings.

Review of School Policies

The school has a large number of Policy documents covering both curriculum and non-subject areas. These are reviewed and revised by staff and governors on an annual basis to incorporate changing trends and legislation. Further information is available by contacting the Head Teacher or School Clerk. During the Summer and Autumn Term 2021 our Safeguarding and Child Protection Policy and Admissions Policy were reviewed.

Access for Disabled Pupils

The Governing Body is mindful of the requirements of the Disability Discrimination Act (DDA) 1995 and The Special Needs and Disability Act (SENDA) 2005 in drawing up the School Development Plan / Post Inspection Plan, and the day to day operation of the whole site. The school is committed to ensuring that all pupils are able to participate in the school curriculum and (where they desire) in activities such as after school clubs, leisure/sporting events and educational visits. All aspects of accessibility, including access to written information are included in the planning process. The Authority has in place an Accessibility Strategy and in line with this strategy has had an audit of the school site undertaken, as part of an Authority wide brief, to identify any potential barriers and (ultimately) improve the access to the school.

Admission / Transition Arrangements

The County Borough Council is the Admissions Authority for all schools (other than Church schools where the school's Governing Body is the admissions authority) within the Authority's boundary. The school's admission arrangements are, therefore, operated in line with the Authority's policy on school admissions which is contained in the publication Starting School booklet. The booklet is made available to parents at the point of their application for their child's admission to school. The contents of this book can also be accessed online on the Authority's website. Pupils will usually remain in the school until they complete year six and then transfer to secondary school. This school is a feeder school for Ysgol Llanhari (secondary school). However, pupils may apply to attend any secondary school they choose subject to compliance with the Authority's Admissions Policy.

Healthy Eating

The school's policies and schemes of work promote healthy eating and drinking. The pupils are encouraged to eat fruit and drink water during break times and lunchtimes. In addition, the children are encouraged to plant seeds and bulbs to grow fruit and vegetables in the school grounds to raise awareness of healthy eating.

Sporting Achievements During The Year

Usually, the school takes part in a range of sporting activities throughout the year which are in addition to the timetabled curriculum PE sessions in each class throughout the school. All pupils are to be congratulated for their efforts. Extra-curricular sports clubs are held weekly under the direction of the teaching staff. We should like to thank the staff for voluntarily giving of their time so these clubs may take place. Further photographs and celebrations are regularly placed on the school's Twitter account ***(@yggglantrisant)*** and school website throughout the academic year.

School Development Plan

Governors are responsible for drawing up (in conjunction with staff) the School Development Plan. The plan identifies the direction the school will take, over a three year period, in delivering the curriculum. The plan is regularly monitored and revised to take account of progress made and any changes to curriculum requirements. The School Development Plan for the 2021-2022 academic was considered and approved by Governors and is currently being implemented by the staff. The targets set include short, medium and long-term aims. Targets are regularly reviewed by the Governing Body.

Activity 1 - ADDITIONAL LEARNING NEEDS
Activity 2 - THE CORE CURRICULUM
Activity 3 - DEVELOPING SUCCESSFUL FUTURES - CURRICULUM FOR WALES
Activity 4 - PUPIL WELLBEING AND PUPIL VOICE

Growing School

As of September 2021 the number of pupils on roll was 252. In order to accommodate all pupils, class structures were reorganised in line with school policy at the end of 2020-2021. Inevitably, and as is usual, one class contains two age groups or pupils of 'mixed' ages this year in order that we fully conform to Welsh Government requirements. Further information regarding the 2021-2022 academic year's classes and staffing details was forwarded to parents along with the annual school report during July 2021. Please note that the school was designed for 1.5 form entry.

Fabric of the Building

The school, in its present building, was officially opened on July 11th 2005. It continues to be in a sound and well maintained condition. The learning environment for our pupils is safe, welcoming, stimulating and clean with all pupils receiving access to appropriately well-maintained toilet facilities. Pupils in the Foundation Phase have washroom facilities which adjoin their classrooms whilst Key Stage 2 pupils have shared facilities situated in close proximity to their classrooms. Washroom facilities are also located adjacent to the school hall and in the Community Room. All washroom facilities are regularly monitored and cleaned daily to a high standard by our Cleaning and Caretaking staff.

The Curriculum, Educational Organisation and Teaching Methods

Our school is a Welsh medium school and all pupils and staff members are expected to use the language in their daily routines all day, every day. The Curriculum is delivered using a variety of teaching methods best suited to the subject, the individual needs and ability of the children. In the Foundation Stage, children are taught through practical experiences. In Key Stage 2, the teaching style is generally more formal with core subjects taught in morning sessions and thematic work following the 6 Areas of Learning and Experience in the afternoons. Depending on the nature of the task / activity, pupils are grouped and taught in a number of ways. The teacher may change these groups for certain activities to ensure the pupils work at their best at all times. Across both Key Stages, literacy, numeracy and digital competency skills are developed cross-curricularly by following the relevant frameworks.

The Four Purposes

The purposes of the curriculum in Wales should be that children and young people develop as:

- **ambitious, capable** learners, ready to learn throughout their lives;
- **enterprising, creative** contributors, ready to play a full part in life and work;
- **ethical, informed** citizens of Wales and the world;
- **healthy, confident** individuals, ready to lead fulfilling lives as valued members of society.
