VISIT

Diolch yn fawr iawn i Mrs Holton, rhiant yn yr ysgol, a ddaeth i'r ysgol yn ddiweddar i gynnal gweithdy crefft gyda disgyblion Blwyddyn 4. Cafwyd amser gwych yn ystod y bore gyda'r plant yn creu rhoddion arbennig ar gyfer Sul y Mamau. Os hoffech weld gwaith Mrs Holton, cliciwch yma.

Many thanks to Mrs Holton, a parent at school, who visited us recently to hold a craft workshop with Year 4 pupils. The children had a great time during the morning and had the opportunity to create a special gift for Mothering Sunday. If you'd like to see Mrs Holton's work, please click here.

SYSTEM NEGES DESTUN YR YSGOL
SCHOOL'S TEXT MESSAGING SERVICE

Mae'r ysgol yn talu bron i ddwy fil o bunnoedd ar gyfer y system anfon negeseuon testun. Ar hyn o bryd, mae pob ceiniog yn cyfri gan fod cyllideb yr ysgol mor dynn. Felly, o ddiwedd mis Mai ymlaen, bwriedir defnyddio system wahanol. Gyda'r darparwr presennol, dim ond y rhif symudol cyntaf sy'n derbyn y negeseuon. Petawn yn defnyddio'r system newydd, gallai unrhywun sydd â'r App ar eu ffônau symudol dderbyn y negeseuon. Yr unig her gyda'r system newydd yw'r ffaith y bydd angen 'ffôn clyfar' arnoch er mwyn lawrlwytho'r App gan mai 'push notifications' fydd y negeseuon a nid negeseuon testun. Er mwyn i ni gael syniad o sut y bydd hyn yn effeithio ar gymuned yr ysgol, gofynnwn yn garedig i bawb gwblhau'r holiadur syml iawn yma, os gwelwch yn dda, erbyn Ebrill 29ain. Bydd yr App newydd hyn yn rhoi diweddariadau byw o wefan yr ysgol hefyd. Yn ogystal, bydd yn costio un pumed o gost y system bresennol!

School pays almost two thousand pounds a year for the text messaging system we currently use. At this moment in time, every penny counts since the school budget is under such pressure. So, from the end of May onwards, we are planning on using a new system. With our current provider, only the first contact mobile number is able to receive text messages. However, should we change providers anyone who has the downloaded App on their phones will be able to receive messages. The only challenge with the new system is the fact that users need a smartphone to use the App which sends push notifications as opposed to traditional text messages. For us to ascertain how this proposed change will effect the school community we kindly ask everyone to complete this very simple questionnaire by April 29th. This new App will also provide access to the school website with real-time updates of any new activity. Also, it will cost school a fifth of the price!
